

Help us Revamp the Camp

Yellowstone Presbytery must raise \$10,000 to repair the roofs on the cabins and other buildings at Westminster Spires Camp near Red Lodge.

Revamp the Camp is set for June 6-8. Your financial contribution and your labors are greatly appreciated. Come up for a day or the full three-day weekend. To learn more about Revamp the Camp, email Sandy Welch, welchvan@aol.com.

Westminster Spires Camp is a ministry of Yellowstone Presbytery. This beautiful camp provides a traditional camp experience along the shore of Rock Creek and at the base of Westminster Spires. Facilities include three dormitory style cabins, four staff cabins, a building for crafts, worship and presentations, a dining hall, and a building with showers and bathrooms for men and women. The camp is designed to comfortably accommodate 50 people.

Westminster Spires is located at the base of the spectacular Beartooth Highway which leads to the northeast entrance of Yellowstone Park. The camp has easy access to fishing, hiking and backpacking and is within close driving distance to rafting on the Stillwater River. This seasonal camp provides a youth camping program during the month of July.

Financial support is utilized to upgrade equipment, provide basic supplies and to supplement the camp program. To donate to Revamp the Camp, make a check out to your church, attention "Revamp the Camp." Your church will then forward your gift to Presbytery of Yellowstone. Thank you for your continued support of this important ministry.
