Kathy commented that for all of us it's about 'Keeping the main thing the main thing' - Living our vision as we seek to embody God's preferred future here in Yellowstone Presbytery. She stated that as we are living into our Vision in Phase III of this journey the Vision Team seeks to lead, encourage, and equip us to stay focused on our vision. Our grant to pilot the ENGAGE resources is a major opportunity to fulfill our Vision. An important practice in Phase III will be the ongoing evaluation of who we are, what we do (practices, priorities, time and monies) and how we are fulfilling our Vision.

Rev. David Loleng affirmed the presbytery for its excellent vision statement and for the exciting things he and Rev. Ray Jones observe the Holy Spirit doing in Yellowstone presbytery as we are learning to live our vision out. He expressed how grateful they are to partner with us in what we are doing as well as for the pilot refining the resources and process of ENGAGE for

congregations who are seeking to engage the Gospel, Discipleship, Culture and their Community.

David stated that he had conducted workshops this week in Billings & Anaconda, at this presbytery meeting and with COM. All workshops dealt with part 2 of the 4 part **ENGAGE** program training. David's comments focused on the Four Needed Shifts for Congregations on engaging the 'New Normal' of our Culture. He also discussed how congregation or groups might adapt and use the ENGAGE materials for their local situation.

Presbyterians voice concern over the use of computers

Columbus, Ohio – The nation's biggest Presbyterian body convened today with a warning that computers may be a bigger threat to religion than the devil.

“Continuous concern with persons is the only thing that will preserve technological society from manipulating people and overriding personality, declared the Rev. John Coventry Smith of New York City. Our lives of faith demonstrate a truth which extends beyond the areas where science speaks with authority, Smith said as the 177th Assembly of the United Presbyterian Church U.S.A. opened here

11 – 065 – Break

11 – 066 – Consequences to Yellowstone Presbytery as a result of the Passage of Amendment 10-A

– Co-General Presbyter George Goodrich shared his perspectives on the effect that the passage of Amendment 10-A will have on Yellowstone Presbytery. A number of churches have serious reservations about this amendment, especially those that are not in attendance here today. George commented that there will always be things that fracture our unity. We need to focus on God and pastor to each other in small groups. The GA Per Capita of \$6.50 will be an issue. We need to review our Restoration Policy and focus on our Vision Statement. The sense is that we need to continue to talk, continue to listen, and wait for God's leading. This section was closed with prayer for the presbytery and its churches.
