

First Presbyterian Church of Bozeman held a Vaccine Information Forum on Sunday, Feb 7. It featured:

- A pediatrician from Tacoma, WA, who is leading her county's vaccine education efforts
- A pulmonologist from the Mayo Clinic in Rochester, MN
- Cindi Spinelli, RN, of Gallatin City-County Health Department

The forum includes presentations by these three medical professionals and Q & A from congregation members. It is 1 hour 20 minutes long.

It is available for viewing on the church website ([fpcbozeman.org](http://fpcbozeman.org)) or by this direct link which you can copy and paste into your search engine: <https://boxcast.tv/channel/pnfdxvy7aqtrpxmpn2dz>

Please share this very informative forum.
