

Dear Clerk of Session:

How much have Presbyterian Church (U.S.A.) congregations been able to offer sick leave or parenting leave to their pastors and any other employees? How might the denomination fine-tune its Christian education curriculum to fit the needs of congregations even more closely?

These are questions you can help the denomination answer by participating in the Clerk's Annual Questionnaire (CAQ) 2018. This questionnaire informs PC(USA) agencies about what congregations are doing and what their needs are. The deadline for completing the questionnaire will be Thursday, November 15.

The survey will allow clerks to skip questions that do not apply to your congregation. It will also permit you to print a paper copy of the survey first. Printing a paper copy might help you or, if you prefer, you and colleagues sketch out your responses in advance before you type them into the web survey.

Contact us at Research Services at [CAQ@pcusa.org](mailto:CAQ@pcusa.org) or (800) 728-7228, ext. 2040, if you have questions.

This partnership among PC(USA) national agencies, presbyteries, and local congregations would not work without your participation. I thank you in advance for completing the survey.

In Christ,

Perry Chang, Ph.D.
