

HOW TO SUPPORT A MISSIONARY PROJECT OF YOUR CHOICE:

You can search: www.pcusa.org/missionconnections/ to find a missionary/project you want to help support. You can search by name, country, etc. This is a very informative site to revisit as you go along. It is also available on our website www.yellowstonepcusa.org on the left hand side under "Mission Connections".

Once you have chosen your missionary project and have its number (like D 507254), then you should:

Beginning with 2011 Mission Giving:

- 1) Send funds* **always accompanied by** the "Presbytery of Yellowstone Mission Remittance Form" available on our website to:

Presbytery of Yellowstone
203 B Haggerty Lane
Bozeman, MT 59715

- be sure to note on the check those project numbers so we can disburse properly
 - please do not send the funds anywhere else - we no longer send to Synod in Wheatridge
- 2) Presbytery of Yellowstone can be called to get a "Presbytery of Yellowstone Mission Remittance Form" faxed to your church: 406-586-7706 or you can find it on our website: www.yellowstonepcusa.org on the left hand side under "Forms" link.
