Westminster Spires Summer 2020

We regret that Yellowstone Presbytery will not be holding a summer camp season in 2020. Everyone has been looking forward to another summer of wonderful outdoor ministry in the Beartooth Mountains. However, the COVID-19 pandemic and restrictions for gatherings such as camp led to a decision to cancel camp for this season.

We trust this is not an unexpected action on the part of the camp leadership and Yellowstone Presbytery. We are all living with the uncertainty and distancing restrictions that have come with the pandemic.

Our prayers are with the campers who were planning to include this time of worship, spiritual development, fun and fellowship as a part of their summer schedule. We will all miss this amazing time to be with friends at Westminster Spires!

Watch for information about the Winter Youth Retreat and we hope to see you at Westminster Spires next summer!

Christ be with you!
