

Dear Yellowstone Presbytery Churches, Pastors, Members, Campers and all!

Registration is now open for all Westminster Spires Camps, including (for the first time ever) a Family Camp as well! Dates, age ranges, and costs can be found in the graphic below, along with an early bird discount (register before June 1st) as well as discounts for families with two or more campers. And as always, scholarships are available.

Families are invited to [register here](#) or through our camp website at westminsterspires.org.

Please spread the word (and this flier) with your churches, youth groups, friends, family, communities, and whomever else. All are invited! If you have any questions, please email Daniel Triller at daniel@fpcdillon.org.

In addition, as we gear up for camp this summer, we are in need of volunteers who can fill a variety of positions (kitchen staff, crafts, drivers, nurse, and more). To learn more about these opportunities, email Kara Todd at salmonkara@yahoo.com.

Finally, Revamp the Camp (May 31-June 2 (Fri-Sun)) is not that far away as we get camp ready for a busy summer season. Please email Sandy Welch at sandrawelch406@gmail.com to RSVP and learn more.

Thanks all! Daniel Triller
