Dear Presbytery Friends,

With threats of a blizzard across Montana this Friday and Saturday, we do not want to endanger anyone's lives. Your leaders have decided to offer a totally Zoom meeting of Yellowstone Presbytery starting at 1:00 p.m. on Friday, March 13. We are definitely sorry not to be meeting in person in Forsyth as we were very much looking forward to that, but what can anyone do about a spring blizzard except whine???

I will be working with your leaders on a new itinerary that we will get to you by tomorrow afternoon. We still want to see you onscreen on Friday and Saturday, and will plan to meet in person at the June meeting in Bozeman. Thank you for your understanding.

Love in Christ,

Caroline
