Hello friends,

Please put on your calendars a conference call of the Leadership cabinet on Tuesday, May 27, from 9:30 – 11 am. Topics for discussion will be:

- 1) A report to the Presbytery at its June 27-28 meeting regarding a plan for staff transition (top priority)
- 2) A higher ed ministry grant funding proposal

Both of these topics were discussed at yesterday's meeting, and both require more work done before the May 27 meeting. I thank you in advance for whatever progress the task groups working on these issues is able to make, so that you will be able to move us farther along on May 27. Any written proposals distributed before May 27 would be appreciated. If needed, we will have an additional conference call in order to help the presbytery have clear plans to consider.

If it is convenient, Bozeman-area Cabinet members can share a phone.
Jody
