

Stated Clerk Report to the Leadership Cabinet, Oct 13, 2013

Due date for the Docket for the November Presbytery Meeting is complete by Oct 22, 2020. Please make every effort to complete it by the due date.

My term of office is ending May 1, 2021 and the November Stated meeting is time the LC needs to appoint and announce a Clerk Search committee so that the search committee can make a report to the Presbytery meeting in March. I have yet to decide if I will seek another term and so I recommend we follow our usual practice and appoint the search committee to make a recommendation who we should select as the next Stated Clerk.
