## **Suggested Leadership Cabinet Goals for 2012**

- Provide time for Spiritual Nurture and Reflection (i.e. Dwelling in the Word) at each face to face meeting.
- Assign a group to work with Glacier Presbytery on ways to partner with them in Ministry, Mission and staffing in Montana. Receive updates from the group at each Council meeting.
- Complete the update of the Standing Ruled and Manual of Administrative Operations during 2012. {This will require an extension of the due date of July 11, 2012 established by the presbytery and might result in structural changes of the presbytery}.
- Continue implementation of the Vision Statement through Cluster activities and by providing Gathering, Equipping and Going Out opportunities at presbytery meetings as well as at other times.
- Host the Glacier/Yellowstone Convocation in Lewiston during the Fall of 2012.
- Provide training for all Committee Moderators during the first half of 2012.
- Continue to monitor Denominational developments.
- Monitor progress on each goal at each Council meeting.
