II. **We request Council's Action on the Following:**

The Synod of the Rockies makes annual grants available for Higher Education campus ministry programs. The amounts available to each campus program were set by the Synod in its budget for the coming year (2011). Each Presbytery with a campus ministry program must submit applications to receive the available grants using a Synod request format form and are due to Synod by October 31, 2010. A cover letter has been prepared for submission with attachments for each of the three campus programs. These attachments also include a statement of goals and assessment for each program. The Synod requires that we provide a copy of the Presbytery policy statement for Higher Education. This is the final attachment to the cover letter.

The cover letter explains the distribution of funds that we are requesting. A conversation with the Synod Executive determined that a reallocation of grants within the Presbytery is possible.

Council approval of the grant application package is requested. Signature level on the cover letter needs to be determined.

III. **Council desires the Committee to consider the following:**
