Pastors and Elder Commissioners
Friends of Westminster Spires

FROM: Camping and Youth Committee

RE: May 20 Worship Service Offering

The special offering that will be collected at the evening worship service during the next presbytery meeting will be dedicated toward scholarships for young people attending camp at Westminster Spires.

Many churches are able to provide generous scholarships for campers. However, we still have some young people who will need additional support in order to participate.

We appreciate your support of Westminster Spires and more importantly, we thank you for helping young people participate in this wonderful outdoor ministry of the Presbytery of Yellowstone.

Brochures and Camp Registration forms will be available at the meeting in Anaconda, and they can also be accessed through the presbytery website. Please contact Curt Kochner if you have any questions about the 2011 Westminster Spires Camp season.
