Dwelling in the word was led by Stan on 1st Thessalonians 2: 1-13 The entire presentation outline was in printed form and was handed out to all attendees.

Session 1.

Rev. Ott presented a complete written outline of his presentation in advance of the presentation, but his talk was focused on certain key points at each session held during this meeting. In session one he explained:

- a. Friends off the road.
- b. Friends of the heart.

And the three commitments a church must make.

- c. A commitment to Christ
- d. A Commitment to the Body of Christ
- e. A commitment to the work of Christ in the world.

Examples of each of these concepts was presented and work on in word/share/prayer breakout groups. In this session we heard about and discussed the difference between Hospitality and Friendship.

19-056. As we were meeting the Presbytery was kept informed Via George Goodrich about the failing fight for life CRE Jack Bell was waging in Great Falls and several prayers were focused on him and his family as he went through his life's final struggle. Jack went to be with his Lord and Savior while the meeting was progressing. The room was full of sadness and concerns for Jack's family and his seeing Jesus up close and personal. Tears flowed freely as we acknowledged Jack and his ministry in this Presbytery.

Co-General Presbyters' Report to Leadership Cabinet

November 1, 2019

A personal word of thanks and reflection on our 15th anniversary here: August 20th marked not only our 42nd anniversary of marriage but 15 years we have lived in Montana as we began our ministry in September 2004, as your Co-General Presbyters. Thank you all for your trust and partnership on this adventure and journey with Jesus. All these years we have focused the presbytery for the strengthening of our Christ-centered community and pastors and churches to be equipped, devoted, fruitful disciples of Jesus Christ and *disciple-makers*, equipped and sent to join Christ *in his mission*, for God's glory and good in our churches, communities, Montana and wherever he sends us. In times of disunity and confusion, we have called the presbytery to prayer, to the Word and to "keep the main thing the main thing, and the main thing is Jesus" because IN Christ alone is life and our unity and peace. God has faithfully answered, provided, transformed lives and abundantly blessed – us and the presbytery in the midst of challenges and great joys. Our great thanks for the privilege of serving Christ by serving Yellowstone Presbytery.

And a further note of gratitude: this fall Administrative Assistant Susan Seibert and Treasurer Sheryl Hallin also mark 15 years of service! Please congratulate and thank them.

Understanding our shifting cultures and contexts and the accompanying trends. It is important for us as leaders to get the “balcony”, the 30,000’ perspective in order to properly discern the times in which we are called to be God’s contrast community, sharing & embodying the Good News of Jesus Christ, salt and light.

- WSJ recent poll last month revealed a significant drop in millennials and Gen. Z of prioritizing religion, commitment to marriage, having children or to quote a fascinating analysis in the Atlantic - “Elite Failure has brought Americans to the Edge of an existential crisis” –by D. Thompson

- Secularism and workism have become new religions; economic and racial challenges continue

- Trust in and joining of institutions –marriage, church, groups/clubs,...- is at an all-time low, -> further alienation, individualism, community problems and impoverishment, increase in gangs & following authoritarian or more extreme leaders & movements

- Trustworthiness of pastors has plummeted (See recent *Christian Century* editorial by Marty)

- Loss of hope, manifesting itself in anxieties, fears and a variety of physical, emotional and mental health maladies and tragedies

Yet in the post-Christian, post rationalism era, spiritual curiosity and hungers abound.

In the midst of these forces is an amazing opportunity for God’s mission and God’s people, those to whom God has entrusted the Good News, commanded and empowered to embody incarnate and proclaim Jesus, with authenticity and integrity, and join together with Christ as *contrast communities* in Christ’s mission as individuals, marriages & families, disciple communities, and presbytery.

Multiple research points to the essential need for the local congregation in our lonely, divided, technologically distracted times such as the article - [Where is the Church in North America Heading and What are the Implications?](https://freshexpressionsus.org/2019/09/06/heading/)

Or the book, *Alienated in America: Why Some Places Thrive While Others Collapse*. By Timothy Carney describes the role the church has played and needs to reclaim with vitality, love and integrity, ESPECIALLY in small and rural areas. Take heart!

**Note the need for hope, faith, trust, identity, meaning and purpose, community and connection, roots

We believe the Presbytery faces the main challenges which are also God’s opportunities, now:

First: Increase the focus on an adaptive disciple-making, disciples-sending leaders and church cultures for the 21st century:

We know many pastors are lost, frustrated, discouraged, at times threatened as they were not equipped for ministry in these times. Churches in these difficult cultural days are losing focus and purpose as well as spiritual power... Christ gave the church the timeless command to “make disciples of all nations,” Matthew 18-20. And has commanded us not to lose heart) see Paul’s exhortations.

Are we focusing on spiritual formation and life-on-life disciple-making vs maintaining or administrating programs and caring for building? Is each church, in a way that is authentic to pastor and congregation and call, doing this?

Possible avenues, strategies:

- A. The regional equipping retreats gathered in September in four locations to wrestle with these issues. Pastor clusters for equipping for discipleship ministry and mission will begin again in the new year for equipping, and pastor nurture and support.
- B. Bring in those gifted, passionate with a track record in equipping our folks – i.e Stan Ott, joins us at this presbytery meeting.
- C. *Since change can be painful and unsettling, this requires cultivate deeper spiritual roots, love for Christ and the **spiritual practices** which transform us to be and live more like Christ, in transformative community*
- D. **A Focus on Practices including:** *discernment, prayer, paying attention consolation/desolation, prayer, repentance, lament, among many others*
- E. Ask sessions to consider one theological, practical ministry question at each meeting: “What is God’s call for Christ’s church, in this time and context? What are we trying to accomplish as a church?” If people are growing in their faith, how does it mean they will likely change, internally and in their life patterns?” “What practices are we seeking to model and teach to our communities of disciples?” “What kind of disciples are we trying to create and send out into the world, and what do they need to love, experience and see, know, what practices characterize world-impacting disciples?” ETC...
- F. Dwelling in the Word/ Word, Share, Prayer in all presbytery meetings, Ministry Teams, and session meetings across the presbytery.
- G. Read and apply Growing Young – Presbytery was invited to take a group to training with one of the authors/researchers coming to Jackson Hole church Oct. 18 – 20
- H. Waiting on and pray for the Holy Spirit to move. Admit we are basically powerless and in need of God’s refireing of the Church as in Acts 1-2. Pray for this. Expect this. Remove the hindrances to the Spirit’s work and create an environment in which it is more likely to happen – spiritual disciplines, especially lament and repentance, as we need to be refined and transformed to be more like Christ.
- I. Other?

Second: The Crisis of Congregational Leadership Clergy, Leaders: Across Montana and much of the United States the skepticism about the church is real, the shortage of ordained pastors is deepening. Church leaders and members, pastors trained for a different world and church which is no longer our reality, often have more of an institutional, consumer ‘member of a club’ understanding rather than having been *equipped as equippers, Jesus and people loving disciples – loved and called, gifted and equipped and sent* Why?

- A. Many pastors are nearing retirement. Seminaries have fewer graduates and the percentage of those graduating entering pastoral ministry is also declining. And of those graduating, many want to start new churches rather than prop up existing ones unwilling to adapt and follow the Holy Spirit in innovating and experiments of being church in these fast changing times.
- B. The last spiritual renewal movement was in the 1990’s. Awakenings and renewals are feeders, inspiring and calling pastors and empowering ALL as disciples.
- C. Due to shifts in trends, cultural, ideological, economic and social and weather forces, fewer and fewer congregations can afford a livable, full-time pastoral salary and benefits. Rural

communities show a higher percentage of unanswered call opportunities than the suburbs. Also an opportunity!

- D. Denominational politics with less and less regard for the needs and issues before small town and rural local congregations are alienating some of the members with pronouncements.
- E. The rate of Baby Boomer pastors retiring far out-strips the rate of new pastors entering the church.

YET – The need for the local church and the embodied Good News is absolutely essential. Each month more is revealed in research and written on the crucial spiritual, social/relational/communal, cultural capital tied to the catalytic role churches play in the fabric of lives, families and communities. This is even MORE important as so many other aspects of our culture are weakened.

Possible avenues, strategies:

- A. **Pray with repentance and lament for spiritual revitalization / revival, for the Lord of the harvest to send out laborers into the harvest – Luke 10
- B. Equip more CRE's and lay leaders to lead churches, and God is raising some up among us! Although there is a mindset in withering communities that if a church can no longer afford an ordained pastor, the church is evidently in decline, along with the community. So fight to keep the pastor and decline lay leadership.
- C. The above with exploring the idea of regional pastors focused on equipping and empowering, who might be in the pulpit of a congregation once a month, and present with folks, with lay preachers carrying the preaching on the other Sundays and equipping and praying for the holy experiments in ministry.
- D. To start a seminary internship program.
- E. Seek or equip tent-making and bi-vocational pastors, CRE's
- F. Work ecumenically with other mainline churches to share pastors and expenses?
- G. Start new congregations in areas with growing populations or where our church will not adapt and be transformed, thus choosing to die.
- H. Other?

Third: The Financial Condition of Yellowstone Presbytery:

- A. 15 years ago, when we came, we were told that the presbytery would not have the financial strength to pay us after two years, unless we figured out a way to generate income. In the last 14 years we have raised, and many of you have generously given, somewhere around \$630,000 to support our position and the life and ministry of the presbytery. Our God has provided!
- B. But now, with the challenging economic and social circumstances, declining financial strength in many churches, it is a struggle to reach our budgeted \$35,000 a year. Additionally, the presbytery has been deficit-spending at about \$50-\$60,000 over the last couple years. At this rate of expenditure, the reserves available for the general administrative budget will be depleted by December, 2020, unless there is some windfall.
- C. The membership in Presbyterian churches across the country continues to decline, and this presbytery, in general, is following the national trend. Per capita is being carried by fewer and fewer people.

- D. The economy in our farming and ranching communities is especially weak right now. Weather has been brutal for crops and livestock. The trade war with China has driven down prices for product. Wheat, which takes \$7.00 a bushel to produce, was selling for \$4.00. Beef prices are down, too. Churches are trying to make budget with adverse conditions impacting the people of the congregation.
- E. The main reason: in 2004 the presbytery received \$75,000 a year from the synod as partnership funds, which have been declining gradually over the years. In 2018, the Grant funds disappeared completely, not to return. Had those funds continued, how different the story would be. But such is not the case.

We believe God's Spirit is at work here in Montana where God has called and placed each of us to join in that mission and to seek to listen, discern, adapt and experiment with how to follow Jesus in these times, in new ways, perhaps doing some things very differently, and stepping even further out of our comfort zones.

We also do not wish to jeopardize or impoverish the presbytery.

Possible avenues, strategies:

- A. Prayer for discernment, ask what God is doing and where God is leading. The Church is God's Church and God is not through with it yet. Expect God's leadings.
- B. Formulate a plan which may include:
 - I. Various reductions in expenditures
 - a. Staff reconfiguration, or reduction.
 - b. Dividing the work of the staff among trained regional leaders who might be paid a stipend.
 - c. Base the presbytery ministry in supportive regions, a la Western Colorado.(the jury is still out if this is actually "working")
 - d. Consider joining with another presbytery, or dividing and joining other presbyteries.
 - e. Discontinue per capita and work on a mission-giving model.
 - f. Consider program and budget cuts.
 - g. Be bold and spiritually innovative!
 - h. Other?
 - II. Continue to pray for and cultivate increased giving/income, including:
 - a. Planned and legacy giving
 - b. Identify those with gifts of generosity, sharing the stories of what God is up to here
 - c. Various grants
 - d. Church plants – who knows of those who may be called to this? Pray for God to call folks.
 - e. Explore entrepreneurial non-profits linked to congregations or presbytery which can generate income – this is being done by congregations
 - f. Cultivate more giving from elsewhere among those who understand the importance of the call and role of the church in rural and small town Montana.
 - g. Other

Believing that the agenda for Our Presbytery meeting will reveal the wide range, specific work and efforts we have been focusing on since May with camping and youth, PMT, pastors, congregations – especially those in illness, need, transition, searches... we have presented this overview in hopes of setting the larger picture/perspective. As Christians we live in that exciting time between fear and

faith; between the already and the not yet; between God's mighty acts in the past and what Good things God will be bring in the future. We love you all so much! Thanks for the privilege of serving Christ with you!

And to Report:

Camp, 2019 – Another successful summer at Westminster Spires with enrollment holding about the same as last year. Please see Curt Kochner's detailed report. George was the Camp Bible Study leader for Elementary and Junior High Camps; Daniel Triller, for the Senior High Camp. Our camping mission is an important partner with our congregations in mission and ministry to children, youth, families and the core sharing and embodying the Good News and making disciples. See the Highlight from Manhattan church below!

Regional Equipping Gatherings, September 14 and 21, 2019. Over 70 pastors and lay people from around the presbytery gathered in four different locations (Butte, Lewistown, Billings, and Terry) to receive training and vision to be better equipped as disciple-making churches. Understanding the culture and context in which we are all ministering was also a focus. Kathy attended the Butte and Lewistown gatherings. George attended the Butte and Billings gatherings. Thanks to the excellent Planning Team – Susi Ennis, Julie Boksich, Russ Kline, Diane White and Kathy and Susi Ennis who led the Terry gathering.

Planning Presbytery Meetings: Kathy teams with the whole LC and Planning Team Julie Boksich, Susi Ennis, Diane and Russ Kline in seeking to listen to the Holy Spirit through you, our leaders and congregations needs, requests, Montana, the PCUSA, trends and culture in discern both longern and short terms needs in to help guide the planning of our equipping and encouraging at our meetings. This Team is putting in a vast amount of time and energy and we are grateful!

Rep/Nom Team: This team of people, has presented us again with an outstanding slate of nominees for the offices and team members of the Leadership Cabinet and other teams! Thanks to them! George serves as the staff resource for this team.

Pastor-Searching Congregations: As described above, these are difficult days for churches to be searching for pastors. George continues in support of the Jordan, Hysham and Colstrip Churches. Kathy supports the St Andrew Church. Both serve in support of the Pastoral ministry team as seems appropriate, especially seeking to be supportive of pastors and leaders in crisis and preaching in churches and meeting with congregational leaders.

A highlight: On September 15, George participated as Pastor Debbie Funke and the Manhattan Church baptized 9 youth and 3 adults in the Gallatin River. George had met many of the young people at camp. Gratefully, we recognize the amazing youth ministry the Manhattan Church offers in the community,

Coming up: George has been invited by GA Co-Modertor Vilmarie Cintron-Oliveri to co-lead a seminar with her at the GA Moderators Conference in Louisville, November 21-23, 2019. The topic is "The Moderator as Spiritual Leader." Susi Ennis plans to attend. Your prayers are humbly appreciated.

We rejoice in God's care for, healing and guiding our mom's and our families. Last week we helped with the process of moving George's Mom to be near his other brother and sister-in-law.

We are excited to welcome a granddaughter in December!

Westminster Spires Camp Season We had a wonderful camp season at Westminster Spires! Campers joined us from Anaconda, Billings, Bozeman, Butte, Dillon, Hysham, Manhattan, Terry, Lynnwood, Washington and Alexandria, Virginia. Elementary camp included eight campers; Junior High welcomed sixteen campers and Senior High had fourteen campers.

Other guests that joined us or visited included Callie and Noah Triller, Sam and Annelise Todd, and former camp counselors Jon Dupuis, Hunter Skov and Heather O'Brien.

A highlight of Senior High Camp was a visit from Bill and Belinda Scott and their granddaughters Mara and Reagan. They prepared a dinner meal and visited with campers and staff they have come to know over the past decade. Bill served as camp cook for the past ten years but was unable to be with us this summer as he is undergoing treatment for esophageal cancer. Our prayers continue for Bill and his family!

Many thanks to the folks that joined us as volunteer cooks to provide meals. Sandy Welch served as chef for Sunday night dinner and Monday breakfast each week of camp. Jim Tarr helped cover meals for Staff Training. Becky Kochner and Anna Roberts prepared meals and snacks for Junior and Senior High Camp.

Thanks also to Billings First Presbyterian Church for the use of their two vans for camp. The use of the vans provides the opportunity for campers to visit the Beartooth Pass, travel to trail heads for hikes, visit Red Lodge for recreation and mission projects and ride to the Stillwater River for a raft trip. The use of the vans is a huge help to the camp budget.

Scholarships: Churches in the Presbytery provided \$1,945 in scholarships to help young people attend camp. Thanks to the offering collected at the Presbytery meeting and additional gifts toward the scholarship fund, \$2,720 in scholarships were provided by Yellowstone Presbytery for campers.

Facilities Revamp the Camp focused on cleaning and preparation of the buildings and grounds for the season. Roger Giese from Laurel brought his paint spray equipment to camp and sprayed the boy's cabin. The exterior of all the cabins have been painted within the past few years. Several more trees

have been taken down due to the Ips Beetle infestation. Additional electrical fixtures were installed in the Cook's cabin and the Booth cabin.

Several projects on our wish list are upgrading the water lines into the kitchen and the bath house sinks and showers, installing windows in the Paterson cabin and making new curtains for all the cabins.

Representation/Nomination Team Amended Report to Yellowstone Presbytery November 2019

The Representation/Nomination Team worked faithfully and prayerfully to fulfill the work entrusted to us. We sought people who were qualified and felt called to serve on Yellowstone Presbytery teams for the terms available. Team members did an outstanding job in seeking qualified people to say “yes” to God’s call for service. I am very grateful to Jody McDevitt, Robert Culbertson, Lanny Rounds, and George Goodrich, our faithful staff person, for the good job they have done.

You will see a fairly good, though not perfect, balance of MWS/RE, cultural background, and geographic representation. The male/female representation is not so balanced, though is indicative of the higher number of females who are active in the Presbyterian Church and in Yellowstone Presbytery in particular. The Leadership Cabinet will include 6 females and 3 males, the Pastoral Ministry Team will have 7 males and 5 females, and the Camping and Youth Ministry Team will be made up of three males and five females if those nominated are elected. High priority was given to finding and nominating the right persons to the available positions.

We still seek one more person to serve as a Young Adult Advisory Delegate (YAAD) Alternate to General Assembly. We on the Team thank everyone who considered serving, whether you felt the time was right for you to accept a particular position or not.

Respectfully submitted, Caroline Fleming, Team Moderator

ACTION ITEMS:

1. Working together and led by God’s Spirit, the Representation/Nomination Team commends to Yellowstone Presbytery the following slate of officers, moderators and team members for your election. NOTE: Those listed in bold and underlined are the nominees. Other team members are listed so you can see the representation balance on each team.

2. The Representation/Nominations Team recommends the Leadership Cabinet be asked to revise the “point system” of choosing the Minister Commissioner to General Assembly.

Reasoning: It is this team’s judgment that the current system is not serving us well in identifying those who could most effectively serve. We believe that factors other than seniority should be considered, such as current leadership in the presbytery, potential leadership, diversity, and vision, and we would like to have a system which included these factors. Several years ago the presbytery chose to move away from a rotational system for choosing our Ruling Elder Commissioner to GA and our Young Adult Advisory Delegate. The rotational system was prone to clogging up. We would ask the “next church in line” to

2 Rep/Nom Report November 2019

identify a ruling elder, wait for several months, and then find out that they didn’t have a person. Then we’d go to the next church, and go through the same process until we were sometimes past the deadline for submitting our commissioner’s name to GA. By instituting an application process and actively recruiting across the presbytery, we have been able to identify ruling elders who are ready and

willing to serve. When choosing among applicants, we use their church's history of sending commissioners as one factor in our decision, but not as the determinative factor.

That said, we nominate 2 names for class of 2022 this year to return the team to 9 members, the maximum allowed in the Standing rules. A. Retirement of the Rev. Jed Cauffman The Rev. Jed Cauffman has made a request to the Pastoral Ministry Team to move his status to honorably retired and is seeking to transfer his membership to the Presbytery of Los Ranchos in Southern California where he is currently living. Jed faithfully served the First Presbyterian Church in Lewistown, Montana, for 25 years before moving to California in 2017. "The PMT recommends to the Yellowstone Presbytery to move the Rev. Jed Cauffman to the status of honorably retired within the Presbyterian Church (USA) and to transfer his membership to the Presbytery of Los Ranchos upon request."

B. Commission Margee Smith as a Commissioned Ruling Elder (CRE): Pending the approval of the Yellowstone Presbytery, Margee Smith will begin a Commissioned Ruling Elder (CRE) relationship with the First Presbyterian Church of Lewistown, Montana, on November 3, 2019. The commission will be for Home Outreach Ministry to those in the church and community and will also include a wider ministry to churches in the area. Margee recently completed her CRE coursework through Whitworth University. Here are the contract terms:

Terms of Contract Commissioned Ruling Elder Home Outreach Ministry Margaret (Margee) Smith
Placement: First Presbyterian Church, Lewistown, MT

Job Description: ● Margee will provide the structure of the homebound visits which will include visiting, prayer and spiritual support as needed. ● Margee will recruit and train people to serve on a homebound ministry committee. This will include accompanying people on visits when necessary. ● Margee will develop and maintain a rotation schedule to give attention to our homebound people from our church. She will disseminate that schedule to all involved. ● Margee will host meetings and trainings for this committee as necessary. ● Margee will encourage the committee to visit, send cards or call their assigned person or people weekly. She will also encourage the committee to let her know if something needs attention by the church or an outside resource with any of the homebound people. Margee will share those needs with the church for prayer or with Pastor Diane White if her counsel may be necessary. ● Margee will be allowed to serve communion to homebound people through this ministry. ● Margee will provide spiritual materials as necessary to the committee.

● Margee will maintain communication with the committee on a regular basis offering an opportunity for feedback from the committee.

In addition to those duties on the homebound committee: ● Margee will be allowed to provide pulpit supply to area churches and be given the authority to serve communion and perform baptisms in this capacity under the authority of the church's session. ● Margee will be allowed to officiate at funerals when asked.

Compensation: There will be no compensation for the Home Outreach Ministry position. Compensation for other pastoral duties such as funerals and pulpit supply will be paid by the respective churches or individuals making the request.

Terms of Service: This commission is for one year from November 3, 2019 through November 3, 2020. It will be continued annually by authorization of the PMT.

Supervision/Oversight: Margee will serve under the session of the First Presbyterian Church in Lewistown, Montana, with the Reverend Diane White serving as her supervisor/mentor. She will also be under the supervision of the Presbytery per G-2.1004 of the book of order.

Included below is Margee's Statement of Faith: I believe that the Bible is the authoritative word of God. It is through scripture that we learn of who and what God is, and therefore who and what we are in God. It is through scripture that we are able to better understand God's ways and how we are to reflect those ways in how we conduct our lives.

I believe that there is one God, eternally existing as three persons; God, God the Son and God the Holy Spirit, known as the Trinity.

I believe that our God came to earth as Jesus, who was both mankind and yet fully God, to die on a cross for the forgiveness of our sins.

I believe that scripture tells us to love one another and to forgive one another. Jesus exemplified that on earth. God also assures us that we will be forgiven when asked with a true heart.

God also sends the Holy Spirit to be with us in our daily walk. The Holy Spirit reminds us that God is always with us and the Holy Spirit is the catalyst that encourages us and speaks words of comfort to our hearts and souls when needed. The Holy Spirit guides our path to turn us away from sin and live a life that pleases God.

I believe that baptism is a public declaration of our commitment to God and others of our faith. We are called to life in a new way as disciples of Christ and to share the good news of the gospel with others. It is a symbol of our adoption into Christ as we join other believers in declaring our faith as adults, or as parents on behalf of our infant children.

I believe that through communion we are able to celebrate Christ's presence among us by gathering around the communion table and partaking of bread and wine with fellow worshipers.

We use grape juice or wine to symbolize Jesus Christ's blood and bread to symbolize His body. Jesus gave instructions to us in the bible of how to celebrate to experience the fellowship of Christ. In this way, we are reminded that our sins are wholly forgiven by the love and grace of God through the blood of Jesus Christ.

I believe as it says in the Bible, that one day Jesus Christ will return to earth to call me home. I will stand with the saints of heaven and earth before God and Jesus as I enter into the kingdom for all of eternity. God will then take away all pain and suffering and replace it with joy and wonder! Until that day however, I am to love my neighbor as myself regardless of all other circumstances.

Although I cannot possibly know and understand everything that is in store for humankind on this earth, I can know and understand that through God, God's Son, and God's Holy Spirit, I am able to lead others

to the love of our God! I believe that God is love and we are made in the image of God. Therefore, we are love. I believe that I will never look into the eyes of someone that God does not love.

C. For the Yellowstone Presbytery “to receive the minutes of the administrative commission assigned to ordain the Rev. Sarah Logemann as a Minister of Word and Sacrament in the Presbyterian Church (USA) at the First Presbyterian Church in Miles City, Montana, on October 26, 2019.”

D. For the Yellowstone Presbytery to concur with PMT action “to prevent at-large members the Rev. David Andrew and the Rev. Paul Cannon from accepting any positions in the PC(USA).”

E. Prayers Requested: 1. To pray for all our distressed pastors and their families as this is a very difficult time for them. 2. To pray for the many churches in Yellowstone that are seeking a new pastor or who are trying to hold things together without a Pastor to lead them. 3. To pray for the future of this Presbytery and what it will need to change so it can continue to serve the churches within the Presbytery.

Respectfully Submitted,

The Rev. Dave Thompson, Chair Pastoral Ministry Team Yellowstone Presbytery

Exhibit F. Leadership Cabinet Report

Leadership Cabinet Report Yellowstone Presbytery, November 1-2, 2019 First Presbyterian Church, Lewiston MT

The Apostle Paul reminds us, “There are many members, but one body.” (1 Corinthians 12:20) Many of our member churches and pastors - and therefore the whole of Yellowstone Presbytery - are in a period of transition, a time of discerning what the Holy Spirit is leading us to do to proclaim Jesus’ reign in our churches and communities. Trying to discern the work of the Holy Spirit in our midst, the Leadership Cabinet has met for their regularly scheduled meetings and two special meetings since April. We have been in prayer and process over the following primary things:

We continue to evaluate our 2019 goals in light of implementing the Yellowstone Presbytery vision, noticing what has gone well and what still needs to be done. We have spent a significant time in Dwelling in the Word and prayer. We have given our time and creative energy listening to the Holy Spirit - along with leaders and congregations - that the Holy Spirit might inform our planning and support for the mid-September Regional Gatherings and the training with Stan Ott at the November Presbytery meeting. The Personnel sub-committee has been meeting personally with Presbytery personnel. It has been decided to keep the positions of stated clerk and assistant stated clerk at 50/50 for the time being. The Leadership Cabinet approved grants from the Higher Education Fund for three collegiate ministry organizations: one each at Rocky Mountain College, MSU-Billings, and PresbyCats. We have reviewed the 2018 year-end financial report and the 2019 budget for St Timothy’s Chapel. We continue to track each congregation’s adoption of a Child and Youth Protection Policy. We have made recommendations to the Representative/Nominating Ministry Team for future members of that Ministry Team.

We rejoice that a 1001 New Worshipping Community is meeting in Basin, Montana, supported by First Presbyterian Church in Helena! Working with Glacier Presbytery, we are composing an amendment to be sent through the Synod of the Rocky Mountains to the upcoming 224th General Assembly for a boundary change between our two Presbyteries in Jefferson County so that this Community is within the bounds of Glacier Presbytery.

As we all seek to live out our call to serve Jesus in our churches and our communities, and, together, as we flesh out our vision as Yellowstone Presbytery, we are faced with the challenge of a significant reduction in income for 2020 and beyond. The annual grant from the Synod of the Rockies has ended and Yellowstone Presbytery, having stretched our withdrawals from the Unreserved Fund much further than we expected, is nearing the end of this Fund. Barring new gifts, and if nothing changes, Yellowstone Presbytery will need to raise an additional (and significant) amount of money to make our 2021 budget. Leadership Cabinet is aware of the situation. In the early church, recorded in Acts 16, the Holy Spirit closed doors and opened new ways for additional ministries and followers of Jesus when the apostles (Jesus’ Sent Ones) obeyed the Spirit’s direction. Leadership Cabinet has been praying to be led by God’s Holy Spirit to discern what is closed to us, what new ways are opened to us, and what we might try to address this challenge. Motions from the Leadership Cabinet 1) Rep/Nom nomination:

MOTION: Leadership Cabinet recommends we set aside the standing rule (S06.02.01) for the terms of office for the Rep/Nom Ministry Team and nominate Caroline Fleming for one-year term to be nominated as Moderator.

Leadership Cabinet has asked more than one person to serve a three-year term (class of 2022). The current person we have asked is praying about her commitment to this position. We expect to be able to report our recommendation at our next Presbytery meeting.

2) Boundary Amendment to Synod from Yellowstone and Glacier Presbyteries **MOTION:** Leadership Cabinet recommends the following motion to Yellowstone Presbytery:

ACTION: The Presbytery of Yellowstone, in concurrence with the Presbytery of Glacier, requests the Synod of the Rocky Mountains to Overture the 224th General Assembly to approve the following boundary change between the two presbyteries. In particular this includes redrawing the boundary through Jefferson county, so that Jefferson county north of the Boulder River would fall within Glacier Presbytery.

RATIONALE: Glacier currently has established a ministry in Basin, Montana which currently lies within the boundary of the Presbytery of Yellowstone. The two presbyteries have agreed to make this change so that the Presbytery of Glacier will be able to continue working with this ministry and assume all authority and liability for the ministry at Basin, Montana.

Attended a phone call meeting of the Presbytery June 8, 2019

Minutes of June 8, 2019 Phone call meeting were prepared.

Attended the July 11, 2019 meeting of the PMT and took meeting notes

Minutes of the PMT meeting July 11, 2019 were prepared.

E Minister roles updated as changes occurred.

Attended the August 13, 2019 meeting of the PMT and took meeting notes. At this meeting Kori Robbins was interviewed as a potential inquirer and Sarah Logemann as a potential ordained Pastor.

Minutes of the PMT meeting August 13, 2019 were prepared.

Attended the LC meeting in Lewistown Sept 10, 2019.

Reviewed a draft of the docket for the special Presbytery meeting in Billings so it could be posted to the Website after the September LC meeting.

Helped Garrett Mostowski with a grant application and support documents for his education loan.

As an assembly delegate, the Clerk attended the Synod Assembly meeting in Denver Colorado and was elected Synod Moderator for 2020. As a part of the meeting it was noted the Meeting Documents Reviewed from Yellowstone during year 2018 were not acceptable and deficiencies noted had not all been corrected yet. The clerk will be engaged in clearing these deficiencies during 2019. All minor corrections needed have been taken care of at this time. The remaining issue is to find an economically feasible way to church record reviews. This will not get done until 2020 and will remain a deficiency issue for our records for 2019.

To Rectify the reporting deficiency noted above each church in the presbytery will be required to send their Session Clerk to one of the Stated Meetings of the Presbytery closest to their church location and bring the church Minutes Book and Membership Roll Book to that meeting for a review by the office of the Stated Clerk. This review will take place either before the opening of the meeting on Friday or just after the close of the meeting on Saturday. Both the LC and PMT have agreed this work will get done in this manner. A check list for the review process will be posted on the Presbytery website.

Attended the LC meeting in Billings Oct 8, 2019 and during that day also attended a Special Presbytery Meeting in Billings which had some participants on the phone.

Posted finalized minutes of the June 8, 2019 Presbytery Meeting as approved Oct 8, 2019

Prepared draft Minutes of the LC Meeting Oct 8th and the Special Presbytery Meeting Oct 8th.and circulated them. Corrections needed were made before publishing.

Prepared the draft docket for the November meeting and communicated with various Moderators on items needing attention at this meeting.

The clerk reviewed items needing attention on the Clerk Portal and its associated records needing attention and cleared or completed some of the transactions needed.

Records certifying Sarah Logemann as ready for ordination were received Oct 22, 2019 from the New Brunswick Presbytery after much delay and the Stated Clerk was able to certify her readiness for ordination on Oct 26, 2019. Sarah will be installed as part time Pastor at the Methodist Church in Miles City at a separate time. She will remain "At Large" in Yellowstone Presbytery in a Validated Ministry.

Primary focus regarding the Presbytery functions for 2020 will be to find ways to continue to serve our 23 churches with the fewer resources we will have available. A better idea might be to work on growing our fellowships and our mission giving so we can do more not less. Just saying.

Exhibit I. Synod Commissioner Report.

Report to the Presbytery of the Synod of the Rocky Mountains Assembly, Sept 21, 2019.

I attended this meeting in Denver and can report to Yellowstone Presbytery on some of the critical decisions that we made.

For everybody to understand the Synod of the Rocky Mountains is now a reduced function Synod and as such has no Synod Executive. I think this new format of the Synod has been in effect for about 4 years. As a reduced function previous Assemblies approved changes in how the Synod supports its presbyteries and dispersed all financial support available at that time plus last year, they dispersed a portion of grant from the estate of one of the members.

At this current time the Synod will no longer provide annual financial support to the presbyteries. The Assembly voted to reduce the per capita to be paid by the Presbytery to the Synod from \$3.50 per member to \$3.00 per member. This change will have little effect for the Presbytery of Yellowstone since we only have a little over 1,500 members as of end of 2018. The larger member Presbyteries can gain more if they maintain their current per capita charges. Another impact on per capita will be a proposed increase in the GA per capita this year. GA Per capita for the 2018 membership numbers will be \$7.73 and will go up to \$8.95 for years 2019 and 2020. These amounts are already approved by the GA. The total operating budget for the Synod for 2020 is \$105,250 and includes salary and expenses and employer costs for 3 staff people. Unrestricted net assets of the Synod will be an estimated \$397,044.89 at the end of this year. The budget for 2020 will incur a loss of \$9,259.00 which possibly could come from this reserve.

The Presbyteries can still apply for financial aid via certain specific grant and loan programs the Synod has available. These remain in existence. This will include minor support to the 2 connected colleges one of which is Rocky Mountain College in Billings which will get \$250.00 Synod funds. The loan program is substantial and could help any of our churches that need essential improvement or repairs but do not have enough current funding to pay for this need. Another activity is grants are available for Joint Presbytery functions and events. These funds require collaboration of 2 presbyteries before they can be used. I think these are called the Geller Center Funds.

The most valuable part of participation at the Synod level is the opportunity to network with the other commissioners from the 8 Presbyteries represented. We share the presbytery good news and concerns in the formal part of the meeting but in the off times we get to engage one on one and seek advice on issues of concern that some have already solved.

The Assembly `approved the Stated Clerks minutes of the 2018 meeting.

The Assembly also voted on the following:

1. Received and approved the treasurer's report.
2. Received and approved the report of the Personnel Committee
3. Approved the Synod per capita for 2020 to be \$3.00 per member.
4. Received and approved the report of the COR committee
5. Received and approved the report of the Nominating Committee.
6. Received a written report from the PW.
7. The Presbyterian Mission Agency had representatives attending and reporting including Bill McConnell and Jon Reinink and they explained some of the impacts that the Agency has been working on both in the USA and around the globe with a focus on how much the needs are for the 4 special offerings the churches are being asked to contribute.
8. The Assembly approved the membership of the committees to serve during 2020.
9. The Assembly voted to elect Jim Tarr as Moderator for 2020 effective Jan 1, 2020.
10. The most important action taken was the request of adjusting the boundary between Yellowstone Presbytery and Glacier Presbytery in Jefferson County Montana. The Clerk had verified the issue of boundary changes was one that required an overture from the Synod, and it would need to be presented to the GA before the 45-day deadline for filing for actions of the 2020 GA. This meant it required immediate action at this assembly. What was decided the Two Presbyteries Glacier and Yellowstone need to determine a legal definition of the boundary change and submit the proposed change and draft overture to the Synod Stated Clerk for Review and formally submitting the final request as an overture of the Synod. Representatives to the Assembly from each of these presbyteries are to

assist in this getting the cooperative definitions prepared by each of the 2 presbyteries. This basically means the Yellowstone presbytery needs to act soon to agree with Glacier on the new boundary definition and it cannot wait until the spring 2020 meeting.

Report for Yellowstone Presbytery from Presbyterian Women of the Yellowstone

Merry Lee Hooks and I attended the Synod Coordinating Team Meeting in Cheyenne Wyoming on August 8th. We heard from the Inclusive Community Committee about ways we can increase our exposure and settled on at least one: To develop a presence of PW of the Presbyteries on the PCUSA Synod of the Rocky Mountains website. We need to provide more information and contacts to PW groups across our Synod so we can stay better connected. Our Montana PW groups contributed the highest amount to the PW Mission budget of the entire Synod! We are small, widely spaced and mighty.

The next three days were spent at the Synod Triennial Gathering. The focus was “And Yet She Persisted” with oral presentations about Courageous Women. Merry Lee has pictures to share. It was fun to put ourselves in the shoes of courageous women across the last 100 years since women were given the right to vote.

Jeri Joy and Gail Heimback reported on the just completed USAME trip to the Finger Lakes Region in New York. “The PW USA MISSION EXPERIENCE WAS OUTSTANDING!” They went to a land steeped in the legacy of human rights, civil rights and women’s rights.

Marilynn Collins and Gail Heimback led two creative “hands-on” workshops. (Did you know quilters used a quilt code to navigate the Underground Railroad during the Civil War?)

Vicki Terry led an in-depth discussion of the book Small Great Things by Jodi Picot.

We had the pleasure of hearing from Dakota and Tanner Kohfield who were YAD’s (Young Adult Volunteer Program of PSUCA). They spent a year on the Arizona/Mexican border doing mission work with refugees.

All of the presenters are available to itinerate thru Yellowstone Presbytery. Their presentations were all very informative. Call us for more information!

Leadership Cabinet Report to Yellowstone Presbytery December 9, 2019

Leadership Cabinet had a special meeting on November 25, 2019 to act on the resignation of Yellowstone Presbytery Treasurer, Sheryl Hallin. With thanks for her fifteen years of work for the Presbytery, we accepted her resignation effective November 30.

We authorized Dan Holland, Ric Tieman, Susi Ennis (Chair of Personnel), and George Goodrich (Head of Staff) to research Presbytery Treasurer future need.

Ric Tieman, newly elected to the Leadership Cabinet, offered to work as Acting Treasurer for no longer than six months, to begin immediately. Leadership Cabinet welcomed his offer and elected him to the position of Acting Treasurer for Yellowstone Presbytery no longer than six months.

Leadership Cabinet is grateful for the gifts of extra time, discernment, and prayer which have will be put in by our staff, the Leadership Cabinet and its Personnel Subgroup.

Report to Yellowstone Presbytery
December 13, 2019

The Representation/Nomination Team continued its work to seek people who are qualified and willing to serve Yellowstone Presbytery on teams and in positions that are available. We are pleased to have found qualified people to say “yes” to God’s call for service in three positions that were open as of December 2, 2019. I am very grateful to Jody McDevitt, Robert Culbertson, Lanny Rounds, and George Goodrich for their input and prayer that made it possible to complete our work and fill the slate for the coming year.

ACTION ITEM:

Working together and led by God’s Spirit, the Representation/Nomination Team commends to Yellowstone Presbytery the following slate consisting of one team member for the Leadership Cabinet, one Alternate Minister Commissioner to General Assembly 2020, and one Alternate Young Adult Advisory Delegate (YAAD) to General Assembly 2020 for your election:

LEADERSHIP CABINET

Class of 2022: MWS – Jamie Schmeling

NOTE: If the way be clear, the Rep/Nom Team nominates Jamie to the Leadership Cabinet for a 3-year term, realizing that her election skews the male/female representation on the Cabinet further leaving that team's membership at 7 females and 2 males. It does, however, maintain a good geographic balance on the Cabinet and the balance of pastors and ruling elders is as even as possible at 5 to 4. We truly feel Jamie is an extremely qualified person with visionary qualities who will fill the position left by Jack Bell very well.

The team chose to offer Jamie a 3-year term, though Jack Bell was in the class of 2021, because this action will return a balance of 3 persons per class to the Leadership Cabinet and is in accordance with our Presbytery's Standing Rules.

Leadership Cabinet Report to Yellowstone Presbytery March 6-7, 2020

Leadership Cabinet and Pastoral Ministry Team had a joint retreat in Bozeman on January 9-10, 2020. We ate and prayed together, did Word-Share-Prayer and dreamed together, and also met separately orient new members, set our 2020 visions and goals, and take care of business. Leadership Cabinet considered how the challenges facing our churches might become opportunities, how the Leadership Cabinet can model spiritual practices (“Be the people of God before we do the work of the people of God”), how we might plan Presbytery meetings that are more transformational while being informational, and how to do what God wants us to do.

Based on comments and requests from a variety of folks in the presbytery, along with articulated needs, this year we will focus on Stan Ott’s Three Commitments and accompanying transferable concepts and dynamic shifts. The Three Commitments, which are based on Jesus’ “Four Greats” as noted below, have a great deal of similarity with our vision statement. At each presbytery meeting this year, one of these will be our theme and will focus much of our equipping. At our March meeting we will begin with Stan providing a brief review, finishing more of his outline with a deeper dive on Commitment #3, then more on Commitment #1 on Saturday.

Stan Ott’s Three Commitments:

#1 - A Growing Commitment to and love for Jesus Christ. (March 6-7)

Jesus replied: “Love the Lord your God with all your heart and with all your soul and with all your mind.” (Matthew 22:37)

#2 - A Growing Commitment to and love for the Body of Christ. (May 15-16)

“And the second is like it: ‘Love your neighbor as yourself.’” (Matthew 22:39) Also, “a new command I give you: Love one another. As I have loved you, so you must love one another. By this everyone will know that you are my disciples, if you love one another.” (John 13:34-35)

#3 - A Growing Commitment to and love for the Work of Christ in the World. (Nov. 6-7)

“Therefore go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded you. And surely I am with you always, to the very end of the age.” (Matthew 28:19-20)

We heard an encouraging word from our new Treasurer, Ric Tieman, as to the financial health of Yellowstone Presbytery. We agreed with Russ Kline’s suggestion that we make commitments to support and connect our congregations in the area of mission. We expressed our desire to help George and Kathy prioritize their work in light of less time and funds.

At our February meeting we:

- Continued to spend a significant amount of time in Dwelling in the Word (Word-Share-Prayer) and in prayer for our vision, leaders, churches, ministries, and presbytery.
- Reflected on how to encourage the Clusters, and the possibility of using seminary interns to enhance their seminary experience while assisting our churches.
- Took further steps in planning the March Presbytery meeting - to include equipping workshops and worship with Necrology Report, Mission Team Commissioning, and Holy Communion.

- Reflected on the effectiveness reported from several of those who attended the 2019 Regional Meetings. These meetings reached more people, focused on equipping and sharing ideas, and helped build relationships across churches. Leadership Cabinet is considering something similar for September 2020.
- Elected officers for the Corporation to report to the State of Montana.
- Began gathering members of the 2020 Personnel Committee.
- Appointed Susi Ennis and Kathy Goodrich to continue and adapt the Yellowstone Currents newsletter.
- Considered the possibility of on-line auctions to handle church property at Geysers and Oswego after years of these lands/buildings being on the market with no sale.
- Appointed Jamie Schmeling and George Goodrich from Leadership Cabinet, along with Dan Krebill, to work with the United Methodist Church in closing the Federated Church in Harlowton.
- Renewed the Covenant of Understanding with Rocky Mountain College in Billings.
- Did some future planning of the May meeting of the Presbytery using Commitment #2 as the theme.
- Received the news that we (and many of our churches) have a new insurance company and agent - Glidewell Investments and Insurance Group, Agent Kristen Wedan.
- Voted and approved to designate the offering at the first Presbytery Meeting of every year to Presbytery Camp Scholarships for Westminster Spires.

How are we as Jesus' disciples to LIVE and LEAD in times of rapid seismic shifts and polarization, in times of fear and fragmentation? Such challenges are, and have always been, God's opportunities, just as the Chinese character for *crisis* is made up of their 2 characters for *danger* and *opportunity*! Historically, God's people HAVE been in such times before. But it is a first for most of us. As the Holy Spirit applies Scripture, the lessons of those who have gone before us, and insights from listening in our contexts, we have hope that God will lead and transform us in the times and places where we are called and sent.

God has always been the present, powerful "Way-Maker and Promise-Keeper"* for God's people in the past. Will we pray for and cultivate the trusting faith that God will be and do the same for us? (*Stephy Nobles-Beans, Assoc. Chaplain for Diversity, Equity & Inclusion Ministry, Whitworth Univ.)

1. Keeping the main thing the main thing-The main thing, our center of reality, is **Jesus Christ(1)**

2. Listening well, with God's mind and heart, is essential to leadership in these times.(2)

3. Staying rooted AND adapting/shifting, responsive to the Holy Spirit in changing contexts.

Our March 6 & 7 mini-conference *Taking the Adventure God Has For Us* themes and workshops continue to address this and better equip you and your congregation. Please share the flyer & invite ANY interested in your church.

We and the Leadership Cabinet continue to see the vision statement of the presbytery as offering clear guidance and priorities for the presbytery, leading us to focus on helping equip and strengthen pastors and churches in their discipleship and joining in Christ's mission in such times... Toward that end, we see...

- a. **The continued focus on offering Stan Ott's training and materials at presbytery meetings as imperative, foundational and transforming.**
 - a. Growing commitment to and love for:
Jesus Christ - the Body of Christ - the work of Christ in the world.
 - b. Practicing the transferable concepts under each of these "4 Great's of Jesus".
 - c. The Presbytery planning team of the LC, Russ, Julie, Susi, and Kathy, seeks to listen to churches and leaders to serve and equip! Thanks to them!
 - d. It is even more essential in these times for leaders, as well as all disciples, to BE the people of God, like filled reservoirs, before we DO the work of the people of God. This adaptation of Stan Ott's admonition is also in the words of Bernard of Clairvaux":

The {one} who is wise, therefore, will see his {her} life as more like a reservoir than a canal. The canal simultaneously pours out what it receives; the reservoir retains the water until it is filled, then discharges the overflow without loss to itself...Today, there are many in the church who act like canals. The reservoirs are far too rare... You must learn to await this fullness before pouring out your gifts. Do not try to be more generous than God. - Bernard of Clairvaux, 1090-1153, French Abbot

- b. **Strengthening Pastors and Leaders**

- a. The revamping of clusters, per Stan's suggestion, as something to be explored – using internet /Go to Meeting more as more cost efficient and time-friendlier. We have both attended clusters virtually in January/February. Thoughts?
- b. Youth Ski Retreat, February 28-March 1 in Bozeman.
- c. Offer more retreat-meetings like the January Leadership retreat in our home in Bozeman...
Discernable benefits?
Clergy and leader retreats?
- d. Offering Spiritual Direction for pastors and lay leaders (George).
- c. Supporting the large number of our churches with no pastor or searching for a pastor by preaching, worshipping and being present and prayerful; equipping and supporting search committees, sessions, deacons...; possible internship in rural/small town ministry**
- d. Equipping elders to preach and lead and as potential CRE's.**
- e. Encouraging networking and partnerships in outreach, mission and service; sharing ideas and questions, establishing a new worshipping community (we are still seeking God's leading)**
- f. Exploring possible collaborations.**
- g. Discerning together with you God's opportunities as to how we find Christ, adapt/shift, discern the way forward following Christ in the unsettled culture now: racism and violence; partisan politics and incivility; corona virus and the disruption it is likely to be in the economy and in our lives...**

We believe in God's call and purpose for our disciple communities to be *thermostats* for the Way and Ways of Christ, not thermometers of our fallen natures, culture or past mistakes. Rather, we are intended to be contrast communities/lights/havens of understanding, respect and Christian love across differences both within ourselves and for our communities.

Therefore we are exploring, discussing various ways we can better focus on and equip ourselves to be salt and light, drawing upon gifts within and without our body. We both are following colleges and universities which, expecting a restless fall, are planning various training and responses.

h. Presbytery Staffing Restructuring and financial developments:

- a. LC & its Personnel subgroup, considering its response to the challenge for our May meeting.
- b. Three questions: 1) What structure best serves the presbytery mission? 2) How are the Goodriches and staff being led? 3) How pressing is the financial situation?

Personal – We are grateful for many blessings in the lives of family in MT, including Emerson Anne Goodrich born in December! George's mom recently fell and broke her hip and is very frail and fragile, ready for heaven. Prayers welcomed as our mothers' increasing challenges and needs take more time both in person and remotely.

Stated Clerk Report November 2019 to March 2020

Minutes of the November 1,2, 2019 Presbytery meeting were prepared, reviewed and posted.

Meeting of the PMT November 14 was attended and minutes recorded. Reviewed and later approved.

Meeting of the Presbytery December 13 was attended, minutes taken, reviewed and Posted to the website. The Stated Clerk prepares a draft docket for moderators of the presbytery for each meeting.

Work of the Stated Clerk is extensive in December as letters and invoices are mailed to each church pastor and session clerk to begin the process of getting the year end reports and statistics completed and reported to the PCUSA. New clerks get elected and contact information all need to be updated. The Stated Clerk also develops a per capita invoice for each church and helps them schedule a payment plan when the impact of this cost to the church is difficult for some to handle as a single payment. This function also tracks the necrology reports from each church so that at the March meeting we can recognize the elders who have passed away during the year 2019.

A retreat of new and former members of the LC and the PMT met at the Goodrich's home in Bozeman January 9 and 10 and the Stated Clerk attended and offered a report on the office function of the Stated Clerk and containing ideas for future goals and changes to this office. Minutes of the PMT portion of the meeting were taken and reported back to the PMT members. The Stated Clerk could not take minutes of the LC meeting because it was held simultaneously to the PMT meeting. Time was spent with the acting treasurer to get new signatures for bank accounts needing changed due to the resignation of the Presbytery treasurer.

The necrology report was worked on and churches contacted who had not yet reported.

Meetings of the LC February 11 meeting and PMT meeting February 13 were attended and a preliminary docket for the March 6,7 meeting was prepared. Minutes of the PMT meeting were prepared and sent to the Moderatos to review. Minutes of the LC meeting were prepared and sent too the Moderator for review.

Report to Presbytery from Camping and Youth presented at March 6-7, 2020 meeting

The Camping and Youth Committee met a couple months ago (January 12th) over the phone to meet and learn more about our camping ministry in general. Given that a handful of people on our committee are new and/or have never been to camp, this conversation allowed our committee to learn more and ask questions of Curt Kochner (camp director) and George Goodrich. Going forward we are trying to figure out how to best work together and support Curt as Director. One of the primary ways we can do this is to simply get the word out to our youth, churches and greater communities. Westminster Spires is a special camp and with its highly relational intergenerational and Christ-centered focus, it has a lot to offer and we'd love to invite more students to be a part of it with us. As for how the larger Presbytery can help, we simply ask that you help us get the word out and promote it and share it with those in your churches.

Thanks,
Rev. Daniel Triller, Moderator of Camping and Youth

Narrative Report
Yellowstone Presbytery
Budget & Finance
March 6-7, 2020 Presbytery Meeting

Our report has several attachments, which serve to supplement this narrative. The attachments are the Balance Sheet, Administrative Budget and Program Budget for year ending 12/31/2019.

The Leadership Cabinet is pleased to once again report the positive results on these financial statements for 2019. The budget for the Administrative portion of our operations called for transfers from reserve funds of nearly \$55,000, yet due to generous contributions to the administrative support account as well as conservative spending throughout the year, no transfers from reserves was necessary

In addition the Program side of operations required no reserve transfers. This was primarily a result of generous mission giving from our congregations.

In the words of my predecessor, Dan Holland, “We thank our congregations as well as individuals within our boundaries and beyond for their generous support. We are blessed by God’s good grace to be able to continue our vital ministry in this Yellowstone country we all call home.”

Respectfully Submitted,

Ric Tieman, Treasurer 406-595-1250

Ruling Elder John Clark passed on December 19, 2019

21 years ago John opened a Pooled Income Fund to provide an annual dividend during his life and he designated the Presbytery of Yellowstone as a beneficiary. John's long tenure as an Elder is a testament to his faith and his gift will open new opportunities for the Presbytery of Yellowstone.

Here is information from the Foundation website:

Receive income from your charitable gift during your lifetime

Pooled income funds are trusts that pool together gifts from many donors, and pay an annual dividend to the donors or someone designated by the donor.

- Receive income for life from your donation.
- The money in your fund is donated to your designated cause after your passing.
- Income varies quarterly depending on the fund's objectives and performance.

Dear Friends,

We are pleased to enclose your copy of the *Notification of Life Income Charitable Interest* report. This document provides information about irrevocable life-income gifts that will ultimately benefit your organization or church. In addition to offering important accounting data, we encourage you to share this report with your development staff, your board's funds development committee, or stewardship committee as it may be helpful to them when encouraging new gifts.

For more than two centuries, the Presbyterian Foundation has served donors and the organizations they love. Our national team of Ministry Relations Officers stands ready to provide assistance to your donors/members in creating gifts to benefit your organization or congregation. To discuss how we may be of additional service, you may locate your local Ministry Relations Officer by visiting www.presbyterianfoundation.org/ministry-relations-officers/. For further assistance, or for questions regarding this report, please call a client service representative at 800-858-6127.

On behalf of the entire staff, we look forward to serving you through future opportunities to increase funds for your benefit or ministry.

Sincerely yours,

Stephen Keizer
Vice President - Ministry Relations

Notification of Life Income Charitable Interest

Your organization has been named as the beneficiary of an irrevocable life income plan established through the Presbyterian Foundation. Enclosed is a report which includes:

- ⇒ the date the gift was established
- ⇒ type of life income plan
- ⇒ the market value of your organization's share of the life income plan
- ⇒ the charitable interest of your organization's share of the life income plan.

Through a life income plan, the donor(s) or person(s) named by the donor receives income for life. After the last recipient's lifetime, the remaining balance is either distributed as a gift to benefit the particular Presbyterian mission cause, church, institution, or other organization chosen by the donor or it will establish a permanent fund at the Foundation, from which income will be distributed to your organization. Your report is sorted by the distribution method selected by the donor.

We have imposed very stringent standards to protect our donors' wishes regarding disclosure of their gift. We have reported all dollar amounts but have withheld the names of the donors if they have requested their gifts be anonymous.

To provide you with this data, the Foundation has updated necessary information in our computer database and calculated the discounted value of your eventual share of each life income plan. The charitable interest shown on this report is information needed by those of you preparing financial statements under Generally Accepted Accounting Principles.

We are pleased to provide this caliber of information to those we serve. The financial magnitude of the gifts made to your organization through the Foundation is demonstrated by the market value. This may be useful in encouraging others to establish life income plans that will ultimately benefit your church or organization.

This annual report is available as of the following dates: March 31, June 30, September 30, or December 31. You or your auditors may request the report that coincides most closely to your fiscal year-end by calling our Client Services Department at 800-858-6127, extension 3041.

Since 1799, the Foundation has been providing services to donors and organizations like yours, working to bring people and mission together. Our development staff is available to assist you and your donors by encouraging the development of funds through life income plans.
