*George leads worship at Camp, 2022*

**How GRATEFUL we are to God and to all of you for the privilege and the call to serve as your Co-General Presbyters for another year!** Every Year the financial gifts of Yellowstone Churches and individuals make it possible for us to continue in this ministry. For 18 years we have made a special request for financial support, and in every year but one we have made our budgeted goal. Thank you for all the years of gracious support!

This year we have been asked again to raise \$35,000 towards our salary, benefits and expenses. As of October 1, we received \$20,856 with \$14,144 remaining to be raised by year end.

**To those churches and individuals who have already given, we offer our profound thanks!!!  
Your gifts are a great encouragement to us in the work!**
