Harlowton Church Update (provided by George Goodrich)

The Federated Church of Harlowton was dissolved with a beautiful worship service in the fall. The Corporation of the Church drafted a quit claim deed to pass ownership, 50-50, to the Big Sky Conference of the Methodist Church and to Yellowstone Presbytery. The questions are was the quit claim deed the proper avenue for passing ownership and who really owns the building?

George has engaged real estate Attorney Mark Parker, member of the First Presbyterian Church of Billings to work with the Methodist-hired attorney to determine ownership and in what percentages.

The building is currently occupied by the Harlowton Food Bank, operating one day a week.

The Insurance on the building lapses on or about December 20, 2020.

- **6. The Leadership Cabinet requested, and it was voted** that the Leadership Cabinet be empowered to allocate the proceeds from the sale of the church property and building of the Federated Church of Harlowton as it deems appropriate.
