Belong to the earth. Belong to eternity.
Belong to each other. Belong to what you don't
understand. Belong to mystery. Belong to Love.

I am pleased to be able to share with you my new adventure and ministry at our upcoming meeting of Yellowstone Presbytery in Bozeman. I will have on hand some new communion sets, this baptismal font, and a few other pieces. I would love to make something for you or your congregation. You can visit my web site at www.belongarts.com or see some of my artwork in person on March 2.

Grace and peace,

Brent Long
