

# Culture of Generosity-Workshop

*Joyfully giving our time, talent and money to do Christ's work:*

- ❖ How we view it
- ❖ How we talk about it
- ❖ Where we give
- ❖ Why we give
- ❖ Ways we give

In today's ever-evolving culture, it is important for churches to develop creative and comprehensive annual stewardship/generosity culture. Important aspects to generosity are: vision, storytelling, and year long stewardship emphasis. For these programs to be most effective, they must be able to reach across all generations and utilize a variety of communication approaches. I am looking forward to being with you and hearing your vision and excitement about the church in which you serve. I am excited to be with you and to participate in an interactive workshop in which you will get hands on participation in developing a Culture of Generosity in the local church. I will also be available for individual consultation for churches building a culture of generosity
