## **TEXAS TO TENNESSEE TO VIRGINIA AND ON!**

Mary Grace was born in Katy, Texas on July 5, 1995 but she only considers herself a Texan when barbecue is the topic of conversation. That's because Knoxville, TN, "Rocky Top," has been her home since she first laid eyes on the Smoky Mountains.

She graduated from the University of Tennessee in 2017 with a degree in Political Science and History but decided that public policy wasn't for her. So, she was off to seminary in Richmond, Virginia! She obtained her MDiv, graduating with honors, from Union Presbyterian Seminary on May 15, 2021

Mary Grace is thrilled at the opportunity to call Ennis, Montana her new home.

## FAMILY, INTERESTS, & HOBBIES

**Mary Grace** has one older brother, Caleb, and a sister in law named Leeann. They are both nurses in Knoxville and just had their first baby, a girl named Kaylee Anna.

Mary Grace is the proud "parent," of a 22-pound, grey tabby cat named Thomas Jefferson, but she just calls him "Tom." He lives a charmed life and she knows he will love all the bird watching from the porch of the manse.

**Her** interests include digital ministry & social media, pop-culture analysis, Biblical interpretation, and pastoral care and counseling.

She has served as a Youth Minister, a pastoral intern, a camp counselor, and a hospital chaplain during her time at Union Presbyterian Seminary.

**In** her free time, Mary Grace embroiders, paints, and usually has a set of two or three books she rotates through. She spends a lot of time taking pictures of flowers, her cat, and anything that just "honestly looks kind of cool." She can usually be found listening to Taylor Swift.

She loves to invest her free time in her friends or the outdoors and she is excited to further develop her archery skills, and get just insanely into rock climbing, kayaking, and of course, fly-fishing.
