

# St Timothy's Memorial Chapel Committee

## Report to Yellowstone Presbytery

September, 2013

The committee meeting was opened with prayer. Those in attendance were, Ed Leipheimer, Ray Tribelhorn, Ron Hanson, R. D. Corette, Gary Rowe, Cal Boyle, Zane Murffit and Art Neill. Cynthia Tribelhorn was a guest.

Major items on the Agenda were:

**Worship** - Ron read a recap of our attendance over the last several years. Attendance has been going down. Wayne Bolton, our summer pastor, had suggested that we consider sharing our worship services with other congregations in an effort to get the word out about the Chapel and our services and that was done. The long-range planning committee will discuss this at their next meeting.

**Access Road Relocation** - R. D. has been in contact with ARCO's attorney Mr. Davis. When ARCO reaches an agreement with John Fitzpatrick then the county road can be relocated behind the Chapel and our landscaping work can be completed. This will not happen until 2014 and should be finished in time for the 50<sup>th</sup> Anniversary celebration.

**50<sup>th</sup> Anniversary** - This anniversary celebration will be held in 2015. We are looking at fundraising opportunities while planning for this event

**Maintenance** - The two bronze plaques were redone and have been mounted. The stone work on the walkways and the wall surrounding the patio was repaired. Also the drain for the patio area was unplugged. The north porch at the Manse which was falling away from the house was removed and replaced by a deck and do other water control measures, to prevent future problems were done. Other minor maintenance items at the chapel were also completed.

**Other reports** – Reports on weddings and the music concerts were not available but will be presented at our January meeting.
