

Presbytery Commissioners,

Let's Do Something Together for Someone Else!

On Monday morning, February 28, we have an opportunity to join the St Andrew Church in its mission to Billings. Those who can will meet at 9:00 AM at the Church and then carpool together over to the Family Services building where we will...

Sort and hang clothes, Help people find clothes, Sort and give out food to those in need, Do janitorial work, Move heavy items in the storeroom if there is a need and some of us are able.

We will return to the Church about 11:30 AM for lunch before the 1:00 PM meeting.

Why we are doing this:

To support St Andrew, our host church, in its mission and witness to Billings. The Church members have picked this project for us to work along side them.

To build us together as a team through service to Christ.

To see if this might be a model we can follow for other presbytery meetings.

We are hoping for about 15 people. Please let the St Andrew Church office know as soon as you know if you are planning to attend: (406)656-9256 or office@standrewbillings.org
