As always, there are a couple of churches that do not have participants on the committees. This year it was Wolf Point and Popular. Deer Lodge is represented on the committees by Phil and since he is moving, they won't be represented. We commend the Nominating committee for their work and distribution of people on the committees. Linda and I went over all of them together. Rusty had gone over them and was unable to stay and finish the count on how many each church had working in the Presbytery. It looks like Bozeman First is still in the lead. We also found that a number of the pastors are on several committees which happens because of the need for pastors on all committees. Also our retired pastors are participating. However, Council has 3 people from Anaconda as moderators. It would be better to have council more represented by more churches.
