

Stated Clerks Report

November, 2013

For Information:

Since June of this year I have been a participant in the following meetings and activities:

- Attended, and took minutes for five COM meetings and one Leadership Cabinet meeting.
- Attended and took minutes for two Special Presbytery meetings
- Participated in five meetings of the Vision Structure Task Force.
- Attended the meeting of the Synod Coordinating Council on September 28th and 29th.
- Conducted four Record Review meetings with session clerks. The results were as follows: Lewistown, Terry, Madison Valley, Manhattan and Forsyth – No Exceptions; Miles City, Bozeman, Billings 1st and St. Paul's (Philipsburg) - 1 exception; Dillon -2 exceptions. Session records not reviewed yet; Poplar, Wolf Point, Jordan, Hysham, St. Andrew, Harlowton, White Sulphur Springs, Butte, Anaconda, Colstrip, Geysler, Roy, Stanford and Deer Lodge. Because of the cost of these meetings and the personal schedules of people which make attendance difficult I am working on a different process for the remainder of this year and next year.
- Additionally, I have appointed Debbie Blackburn as Assistant Stated Clerk. This will permit more than one active person to have knowledge of the clerk's duties. She will be compensated by me for her participation.

For Action:

- I hereby request approval, with corrections if need be, of the June 14-15, 2013 presbytery meeting minutes.
- I hereby request approval, with corrections if need be, of the September 18, 2013 special presbytery meeting minutes.
- I hereby request approval, with corrections if need be, of the October 4, 2013 special presbytery meeting minutes.
