August 18, 2016

To: The Presbyteries of the Synod of the Rocky Mountains (SRM)

From: The Synod of the Rocky Mountains Assembly

The Synod of the Rocky Mountains Assembly approved the following motion on Monday, August 1, 2016 and herby sends it to its presbyteries for action at their Fall 2016 meeting. The motion in its entirety reads:

Given that our current Mission Statement and Core Values state:

The mission of the Synod of the Rocky Mountains is to assist, affirm, and strengthen its Presbyteries, incorporating to the greatest extent possible an emphasis on shared missions and ministries where they live and serve Jesus Christ.

As A Synod of the Presbyterian Church (U.S.A.), serving our Lord Jesus Christ, the Synod of the Rocky Mountains upholds these core values:

- 1) Participating in the mission of the Presbyterian Church (U.S.A.).
- 2) Encouraging and supporting the ministry of its Presbyteries, facilitating and celebrating connections among Presbyterian governing bodies, congregations, and individual members,
- 3) Seeking the involvement of persons with a broad range of experiences and interests in its work.
- 4) Creating structure to meet mission challenges so that form follows functions.
- 5) Communicating and evaluating its service.
- 6) Recognizing God's grace at work among us and in other faith communities.

"Therefore, the Assembly of the Synod of the Rocky Mountains, meeting on August 1, 2016, moves to become a reduced-functioning synod, as permitted by the Book of Order at G-3.0404, that the date for this action to become effective is January 1, 2017, that the Assembly send this action to its presbyteries for consideration at their next Presbytery Assembly, and that the Stated Clerk of each presbytery forward the results of that vote to the Stated Clerk of the Synod".

Rationale:

The Synod of the Rock Mountains (SRM) is one of 16 regional representations of the Presbyterian Church (U.S.A.) and is the corporate expression of the eight presbyteries within its bounds: Denver, Glacier, Plains and Peaks, Utah, Western Colorado, Wyoming, and Yellowstone, which are located in the states of Colorado, Utah, Wyoming, Montana, and the panhandle of Nebraska. AS of December 31, 2015 there are 30,610 members in 208 churches within its bounds. Additionally, there are ten worshipping communities.

The Synod has always sought ways to resource its presbyteries; but, covering more than 465,000 square miles, it recognizes that it is not able to be an effective programmatic entity for its presbyteries. Therefore, SRM seeks to exercise responsible stewardship and complete its downsizing of operations. This is in keeping with its core values and provides a structure that will empower the 8 presbyteries of the Synod to meet the mission challenges each faces within its own context.

In becoming a reduced-functioning synod, SRM will limit itself to the following regular functions:

- 1) Assembly will meet face-to-face at least once every two years.
- 2) Setting an annual budget and establishing per capita.
- 3) Provide judicial process and administrative review of its presbyteries (for example: investigative committees, administrative commissions, review of presbyteries records).
- 4) And other items of necessity that might arise (for example: presbytery mergers, redrawing presbytery boundaries).

This also means that the presbyteries shall take upon themselves the responsibilities for mission within their areas and for providing training and educational opportunities and programs. As such, SRM will no longer develop resources or provide staffing support for its presbyteries. As currently envisioned, the staffing pattern for the Synod will include a part-time Stated Clerk, a part-time treasurer, and a part-time bookkeeper. These persons will provide the administrative resourcing for SRM and the Assembly.

SRM will always encourage its presbyteries to develop leaders, provide for disciple-making opportunities, and engage in mission. The following is what SRM in its more streamlined configuration will continue to do in the immediate future to support its presbyteries:

- 1) Midwest Ministry Development Services financial support for a clergy referral program.
- 2) Intervention (Presbytery Consultant Travel) financial support to assist a presbytery needing conflict resolution.
- 3) New EP Training financial support to the denomination's training for new Executive Presbyters (by whatever title).
- 4) Staff Forum convening and supporting the gathering of the EPs (by whatever title) in SRM. This gathering is vitally important to make and facilitate connections between presbyteries, promote program cooperation, as well as offering mutual support.
- 5) Educational Training SRM will allocate funding to assist presbyteries as they construct training opportunities in conjunction with neighboring presbyteries.

Again, SRM has been boldly moving in this direction for the past several years and is now in the culminating stage. It does not want to continue to prop up an old methodology of operation; rather it seeks to streamline itself and repurpose its resources. The response from the presbyteries is that this path will not only economize, but will facilitate the building of relationships, partnerships, and dynamic teams to accomplish specific ministry tasks for all. The goal is to recognize and develop common strengths in order to reach people with the Gospel of Jesus Christ. By undertaking this action, presbyteries recognize that ministry necessitates the reliance upon one another to work for the reign of God in our lives and in the world. It will require presbyteries to be more functional, connectional, and collaborative. And it acknowledges that ever expanding methods of communication and technology have revolutionized our ability to connect with one another.

If approved by the presbyteries, the Synod will enter this new phase on January 1, 2017. SRM will live into this new mode of being over the next three years during which time Synod Assembly will constantly monitor progress and evaluate results.

Following is the process by which the Synod of the Rocky Mountains becomes reduced-functioning:

- 1. The motion is passed by the Synod Assembly.
- 2. The motion is sent to the Stated Clerks of the presbyteries of the Synod for action.
- 3. The motion requires a 2/3rds approval by the presbyteries (this percentage requirement is met when passed by at least 6 of the 8 presbyteries).
- 4. The Stated Clerk of each presbytery forwards the result of the vote to the Stated Clerk of the Synod. The Stated Clerk of the Synod verifies the vote.
- 5. Synod Assembly (meeting on November 14, 2016) receives and verifies the vote totals. (This only serves to dot "i"s and cross "t"s.)
- 6. If approved by the presbyteries, SRM Assembly announces the result and takes all necessary action to implement the results of the vote. The Synod anticipates approval, but, if not approved the presbyteries, SRM Assembly immediately considers alternatives at its November 14, 2016 meeting.

Book of Order - G-3.0404 Reduced Function

A synod may decide, with the approval of a two-thirds majority of its presbyteries, to reduce its function. In no case shall synod function be less than the provision of judicial process and administrative review of the work of the presbyteries (G-3.0401c). Such a synod shall meet at least every two years for the purposes of setting budget, electing members to its permanent judicial commission, and admitting to record the actions of its permanent judicial and administrative commissions. Presbyteries of such a synod shall assume for themselves, by mutual agreement, such other synod functions as may be deemed necessary by the presbyteries and the synod.
